WII/RB-NMCG/2020/Recruitment-5

CONTRACTUAL ENGAGEMENT OF PROJECT PERSONNEL UNDER NMCG-WII PROJECT "PLANNING AND MANAGEMENT FOR AQUATIC SPECIES CONSERVATION AND MAINTENANCE OF ECOSYSTEM SERVICES IN THE GANGA RIVER BASIN FOR A CLEAN GANGA"

The Wildlife Institute of India (WII) is a premier autonomous Institute of the Ministry of Environment, Forest & Climate Change, Government of India working for wildlife research, teaching and training. The Institute plans to engage project personnel (Indian national only) (Annexure 1) in the above mentioned project on purely contractual basis, initially for a one-year period from the date of engagement that can be extended depending on the candidate's performance and the project needs. The positions advertised are purely temporary/contractual for the project period only and will stand abolished after completion of the project.

The candidate should send the duly filled application form (**Annexure 2**) in a sealed envelope super-scribed "WII-NMCGPROJECT" and the "NAME OF POST APPLIED FOR", with self-attested true copies of educational qualifications, experience certificates, extra-curricular activity, certificate of date of birth (certificate or mark sheet of high school), to **The Registrar, Wildlife Institute of India, Chandrabani, Post Office - Mohbewala, Dehra Dun, 248002, Uttarakhand**. Each candidate can apply at the most for two positions only. Application fees of Rs. 500/- will have to be deposited through Demand Draft made in favor of the Director, Wildlife Institute of India for each position. The Demand Draft will have to be submitted with the application form. Candidates belonging to SC/ST and Physically Challenged (PC) category need not pay any fees but will have to pay Rs. 100 as application handling charges. The SC/ST/PC certificate should be attached with the application. Applications without Demand Draft of required amount and self-attested documents will be treated as incomplete and will be rejected. The applications that are not submitted in the prescribed format as given in Annexure 2 will not be considered. The completed application should reach the Office of the Registrar by **25th January 2022 by 5:30 P.M.**

The selection to all the posts will be based on personal interview, which will be conducted by a duly constituted Interview Committee. All the applications received, will be screened and only shortlisted candidates will be called for the interview. The date of the interview will be communicated to the candidates for making travel arrangements to report at WII or through Video Conferencing. The selection of the candidate will be in accordance with the performance in the interview and in order of merit as decided by the Interview Committee. The prescribed essential qualifications and desirable qualifications are the bare minimum and mere possession of the same does not entitle candidates to be called for interview.

If the number of applications received in response to advertisement is large, it will not be convenient or possible for the selection board to interview all those candidates who have applied. Hence, the Institute may shortlist the candidates to a reasonable limit based on the essential and desirable qualifications / record of academic performance / relevant experience for the post or any other benchmarks as decided by a committee constituted to screen the applications. The criteria for screening of applications will be based on the candidates qualifying credentials against:

- i) The specified essential qualification,
- ii) Date of birth (The upper age limit is to be calculated based on the last date for applying to this advertisement 25th January 2022),
- iii) Completeness of the application in terms of providing accurate details and submission of the passport size photograph, demand draft, and self-attested copies of the marksheets, academic and experience certificates, signature, name of referees,
- iv) Experience in relevant field as suitable for the post applied for,
- v) Desirable qualification and experience as specified against each position,

- vi) Consistent academic performance at one or more levels etc. The candidate's experience certificates should clearly specify whether they possess the experience / knowledge / skills / technology / software platform requested in the essential / desirable experience requirements against the post.

The benchmark for screening the applications will be set by a committee constituted to screen the applications. The final selection of the Screened-in candidate will be based on the candidate's performance before the Interview Committee. The decision of the Institute's Screening Committee in all matters relating to eligibility, work experience, acceptance or rejection of the application, mode of selection will be final and binding on the candidates and no enquiry or correspondence will be entertained from any individual or his/her agency. At the time of the verification of original documents, if it is found that an attempt has been made by the applicant to willfully conceal, misrepresent or canvass the facts, his/her candidature will not be considered. All original documents should be produced at the time of joining. No TA/DA will be given for attending the interview.

Incomplete application/ application sent by email are liable to be rejected. The application should reach the Wildlife Institute of India, Dehradun by **25th January, 2022 by 05:30 P.M.** Any application received after the last date will be rejected. All eligible interested candidates are advised to follow the latest updates on WII's website (<http://www.wii.gov.in/>) under the recruitment section.

ANNEXURE 1: DETAILS OF THE POSITIONS ADVERTISED

Subject Area	Designation	Number of positions	Total consolidate emolument per month	Educational Qualification		Maximum Age as on 25 th January 2022	Work Description
				Essential	Desirable		
Aquatic botany (rivers)	Project Fellow Grade I	1	32000	Master's degree with minimum of 60% aggregate marks in Botany/ Forestry/ Wildlife Science / Life Science /Environmental Science/ Biodiversity & Conservation with ≥1 year of experience after Master's in relevant field.	Experience of aquatic vegetation identification and survey, and aquatic habitat monitoring.	35	Candidate will carry out field sampling of aquatic vegetation for biodiversity profiling and assessing various environmental parameters.
Aquatic botany (wetlands)	Project Assistant	2	20000	Bachelor's degree with minimum of 60% aggregate marks in Botany/ Forestry/ Wildlife Science / Life Science/ Environmental Science/ Biodiversity & Conservation	Master's degree with working experience of aquatic vegetation identification and survey and enthusiasm in implementing conservation projects.	30	Candidate will carry out field sampling of aquatic vegetation for biodiversity profiling of wetlands.
Invertebrate	Project Fellow Grade I	1	32000	Master's degree with minimum of 60% aggregate marks in Zoology/ Wildlife Science/ Forestry / Environmental Science/ Biodiversity & Conservation with ≥1 year experience after Master's in relevant field.	Experience in invertebrate/ entomological monitoring and research.	35	Candidates will carry out field sampling for data collection, identification of aquatic insects and report writing.
	Project Assistant	1	20000	Bachelor's degree with minimum of 60% aggregate marks in Zoology/ Wildlife Science / Life Science/ Forestry/ Environmental Science/ Biodiversity & Conservation.	Master's degree with working experience of identification and survey of invertebrate/ entomofauna and enthusiasm in implementing conservation projects.	30	Candidate will assist in carrying out ecological research and literature review.
Herpetofauna	Project Fellow	2	32000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Zoology/ Forestry/ Environmental Science/ Biodiversity & Conservation with ≥1 year experience after Master's in relevant field.	Experience in herpetofauna taxonomy with special reference to aquatic fauna, aquatic species research and monitoring.	35	Candidates will carry out field sampling for biodiversity profiling and assessing environmental parameters.
	Project Assistant	1	20000	Bachelor's degree with minimum of 60% aggregate marks in Wildlife Science / Life Science/ Forestry/ Zoology/ Environmental Science / Biodiversity & Conservation.	Master's degree with working experience of identification and survey of herpetofauna and enthusiasm in implementing conservation projects.	30	Candidate will assist in carrying out ecological research and literature review.
Fish	Project Associate	1	42000	Master's degree with minimum of 60% aggregate marks in Wildlife Science /Zoology / Fishery Science/ Life Science/ Environmental Science /Biodiversity & Conservation with ≥4 year experience after Master's in relevant field.	Experience in taxonomy and biology of fishes/ aquatic ecology/ river habitat assessment/ wetland ecology.	40	Candidate will carry out field sampling for biodiversity profiling and assessing environmental parameters. Advise field personnel in data collection.
	Project Fellow	1	32000	Master's degree with minimum of 60% aggregate marks in Wildlife Science /Environmental Science /Zoology / Fishery Science/ Life Science /Biodiversity & Conservation with ≥1 year experience after Master's in relevant field.	Experience in taxonomy and biology of fishes/ aquatic ecology/ river habitat assessment/ wetland ecology.	35	Candidate will carry out field sampling for biodiversity profiling and assessing environmental parameters.
	Project Assistant	2	20000	Bachelor's degree with minimum of 60% aggregate marks in Zoology/ Forestry/ Wildlife Science / Life Science / Environmental Science/ Biodiversity & Conservation.	Master's degree with working experience of fish identification and survey and enthusiasm in implementing conservation projects.	30	Candidate will assist in carrying out ecological research and literature review.
Birds	Project Associate	1	42000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Forestry /Environmental Science/ Zoology / Life Science /Biodiversity & Conservation with ≥4 years experience after Master's in relevant field.	Experience in taxonomy and biology of birds / aquatic ecology/ river habitat assessment/ wetland ecology.	40	Candidate will carry out field sampling for biodiversity profiling and assessing environmental parameters. Advise field personnel in data collection.
	Project Fellow	2	32000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Forestry /Environmental Science/Zoology / Life Science / Biodiversity & Conservation with ≥1 year experience after Master's in relevant field.	Experience in taxonomy and biology of birds / aquatic ecology/ river habitat assessment/ wetland ecology.	35	Candidate will carry out field sampling for biodiversity profiling and assessing various environmental parameters.

Subject Area	Designation	Number of positions	Total consolidate emolument per month	Educational Qualification		Maximum Age as on 25 th January 2022	Work Description
				Essential	Desirable		
Birds	Project Assistant	2	20000	Bachelor's degree with minimum of 60% aggregate marks in Wildlife Science/ Zoology / Life Science / Environmental Science / Biodiversity & Conservation.	Master's degree with working experience of bird survey, identification, and enthusiasm in implementing conservation projects.	30	Candidate will assist in carrying out ecological research and literature review.
Crocodiles & Mammals	Project Associate	1	42000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Forestry / Environmental Science/ Botany / Zoology / Life Science / Biodiversity & Conservation with ≥ 4 years experience after Master's .in relevant field.	Experience of aquatic conservation, with reference to species specific river habitat assessment and restoration.	40	Candidate will assist in research on aquatic conservation, habitat assessment and species specific aquatic habitat restoration planning.
	Project Fellow	1	32000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Forestry /Environmental Science/Zoology / Life Science / Biodiversity & Conservation with ≥ 1 year experience after Master's in relevant field.	Experience in taxonomy and biology of reptiles/mammals/ aquatic ecology/ river habitat assessment/ wetland ecology.	35	Candidate will carry out field sampling for biodiversity profiling and assessing various environmental parameters.
Conservation Genetics	Project Fellow	2	32000	Master's degree with minimum 60% marks in Biotechnology/ Genetics/ Forensic Science/ Biochemistry/ Microbiology/ Biological Conservation /Environmental Science/ Biodiversity & Conservation with ≥ 1 year research experience after Master's in relevant field.	Research experience in DNA analysis and sampling of aquatic species.	35	Candidate will collect sample from species of conservation concern, assist in genetic analysis and write report.
	Project Assistant	1	20000	Bachelor's degree with minimum of 60% aggregate marks in Zoology/ Forestry/ Wildlife Science / Life Science /Biotechnology / Environmental Science/ Biodiversity & Conservation.	Master's degree with working experience of techniques in sample collection for genetic analysis.	30	Candidate will assist in carrying out sample collection and literature review.
River Ecotoxicology	Project Fellow	1	32000	Master's degree with minimum of 60% aggregate marks in Environmental Science/ Wildlife Science /Forestry / Botany/ Zoology/ Chemistry/ Life Science / Biodiversity & Conservation with ≥ 1 year experience after Master's in relevant field.	Experience of sample collection and laboratory analysis for toxicity/ pollution assessment, preferably related to aquatic ecosystems.	35	Candidate will collect samples from field, assist in laboratory analysis and write report.
	Project Assistant	5	20000	Bachelor's degree with minimum of 60% aggregate marks in Environmental Science/ Wildlife Science /Forestry / Botany/ Zoology/ Chemistry/ Life Science / Biodiversity & Conservation.	Master's degree with working experience of techniques in sample collection.	30	Candidate will assist in carrying out sample collection and literature review.
Wetland	Project Fellow	1	32000	Master's degree with minimum of 60% aggregate marks in Environmental Science/ Wildlife Science /Forestry / Botany/ Zoology/ Chemistry/ Life Science / Biodiversity & Conservation with ≥ 1 year experience after Master's in relevant field.	Experience of sample collection and laboratory analysis for toxicity/ pollution assessment, preferably related to aquatic ecosystems.	35	Candidate will collect samples from field, assist in laboratory analysis and write report.
	Project Assistant	2	20000	Bachelor's degree with minimum of 60% aggregate marks in Environmental Science/ Wildlife Science /Forestry / Botany/ Zoology/ Chemistry/ Life Science / Biodiversity & Conservation.	Master's degree with working experience of techniques in sample collection.	30	Candidate will assist in carrying out sample collection and literature review.
Rescue and Rehabilitation of aquatic animals	Veterinary Officer	1	56000	Master's Degree in Veterinary science with minimum of 60% aggregate marks and ≥ 2 experience in relevant subjects or Bachelor's degree in Veterinary Science with minimum of 60% aggregate marks and ≥ 3 years of experience in relevant subject or Bachelor's degree in Veterinary Science with M.Sc. in Wildlife Science with ≥ 2 years of experience in relevant subjects.	Experience of establishment and maintenance of rescue and rehabilitation centers. Rescue and rehabilitation of wildlife species.	40	Candidate will manage rescue and rehabilitation programme.
Rescue and Rehabilitation of aquatic animals	Project Associate (Veterinary)	2	42000	Master's Degree in Veterinary Science with minimum of 60% aggregate marks and ≥ 1 year of experience in subjects related to wildlife science or Bachelor's degree with minimum of 60% aggregate marks in Veterinary Science and ≥ 2 year of experience in relevant subjects.	Experience of rescue and rehabilitation or veterinary practices or teaching and research.	40	Candidate will manage rescue and rehabilitation programme.

Subject Area	Designation	Number of positions	Total consolidate emolument per month	Educational Qualification		Maximum Age as on 25 th January 2022	Work Description
				Essential	Desirable		
	Project Fellow	5	32000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Forestry/ Environmental Science/ Zoology / Life Science /Veterinary Science / Biodiversity & Conservation with ≥1 year experience in relevant field or Bachelor's degree in Veterinary Science with minimum of 60% aggregate marks.	Experience in research/ conservation/ rescue and rehabilitation of freshwater aquatic species.	35	Candidate will assist the Project Scientist and Associate in implementation of activities in the Aquatic Wildlife Rescue and Rehabilitation Centres.
	Project Assistant	5	20000	Bachelor's degree with minimum of 60% marks in Wildlife Science / Environmental Science/ Zoology / Life Science/ Forestry / Biodiversity & Conservation.	Master's degree with working experience of identification of aquatic species.	30	Candidate will assist in field sampling for biodiversity profiling, environmental parameters and report preparation.
	Project Associate (Aquatic conservation)	1	42000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Forestry /Environmental Science/ Zoology / Life Science /Biodiversity & Conservation with ≥4 years of experience after Master's in relevant field.	Experience of aquatic conservation, with reference to species specific river ecology.	40	Candidate will work on aquatic conservation, river habitat assessment and species specific aquatic habitat restoration planning.
Project Planning & Implementation	Project Fellow (Aquatic conservation)	1	32000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Forestry /Environmental Science/ Zoology / Life Science / Biodiversity & Conservation with ≥1 years of experience after Master's in relevant field.	Experience of aquatic conservation, with reference to species specific river habitat assessment and restoration.	35	Candidate will assist in research on aquatic conservation, habitat assessment and species specific aquatic habitat restoration planning.
	Project Assistant Grade II	3	25000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Zoology/ Life Science /Biotechnology or related subjects.	Working knowledge on ecology and conservation of aquatic ecosystems.	30	Candidate will assist in carrying out ecological research and literature review on aquatic ecosystem.
	Project Associate (Training)	2	42000	Master's Degree in Wildlife Science/ Forestry /Botany/Zoology/ Environmental Science/Humanities/ Biodiversity & Conservation/ Social Science, with ≥4 years of experience after Master's in the relevant field.	Experience of organizing and conducting training programmes and report writing. Experience of fieldwork on aquatic biodiversity/ wildlife conservation.	40	Candidate will organize and conduct training workshops, will liaise with the stakeholders and write reports.
Capacity building	Assistant training coordinator	4	32000	Master's Degree in Wildlife Science/ Forestry /Botany/Zoology/ Environmental Science/ Biodiversity & Conservation /Humanities/ Social Science, with ≥1 years of experience after Master's in the relevant field.	Experience of fieldwork on biodiversity/ wildlife conservation, organizing and conducting training programmes and report writing.	35	Candidate will assist in organizing and conducting training workshops and will liaison with the stakeholders.
	Project Assistant Grade II	3	25000	Master's degree in Wildlife Science/ Forestry /Botany/Zoology/ Environmental Science/ Biodiversity & Conservation /Humanities/ Social Science with minimum of 60% aggregate marks.	Experience of conducting workshops, training programme and report writing.	30	Candidate will assist in organizing and conducting training workshops.
	Project Assistant	5	20000	Bachelor's degree in Wildlife Science/ Forestry /Botany/Zoology/ Environmental Science/ Biodiversity & Conservation /Humanities/ Social Science with minimum of 60% aggregate marks.	Experience in conducting workshops, training programme and report writing.	30	Candidate will assist in organizing and conducting training workshops.
Community based conservation	Project Associate	5	42000	Master's degree with minimum of 60% aggregate marks in Wildlife Science/ Forestry /Botany/Zoology/ Environmental Science/ Biodiversity & Conservation /Humanities/ Social Science / Economics/ Sociology/ Political science with ≥4 years of experience after Master's in relevant field.	Experience of community based conservation programmes/research on ecosystem services/ natural resource management and good writing skills	40	Candidate will conduct research on ecosystem services, natural resource management, and will implement community based conservation programmes of the project.
	Project Fellow	3	32000	Master's degree with minimum of 60% aggregate marks in Wildlife Science/ Forestry /Botany/Zoology/ Environmental Science/ Biodiversity & Conservation /Humanities/ Social Science with ≥1 year of experience after the award of Master's degree.	Experience in conducting social survey and stakeholder analysis; ability to work in harsh field conditions.	35	Candidate will assist in organizing meetings, conduct the survey and stakeholders meetings.
	Project Fellow (Policy)	2	32000	Master's degree with minimum of 60% aggregate marks in Law/ Regulatory Governance/ Economics/ Sociology/ Political science/Commerce with ≥1 year of experience after Master's degree in relevant field.	Experience of analyzing policies related to water and other natural resources.	35	Candidate will assist in organizing meetings with the managers and policy makers, and write report.

Subject Area	Designation	Number of positions	Total consolidate emolument per month	Educational Qualification		Maximum Age as on 25 th January 2022	Work Description
				Essential	Desirable		
Community based conservation	Project Fellow (Eco-development)	4	32000	Master's degree in Sociology / Economics / Social Work with ≥ 1 year of experience after Master's degree in relevant field.	Experience of working on community mobilization, formation of self-help groups and livelihood issues of local communities along the Ganga River.	35	Candidate will organize sensitization workshops and mobilize communities for Ganga conservation.
	Project Fellow (Media Manager)	1	32000	Master's degree in Management/ Social work/ Mass communication or related subjects with minimum of 60% aggregate marks with ≥1 year of experience after Master's degree in relevant field.	Experience of development and web based infographic management and public liaising. Proficiency in MS Office, Internet and Tally.	35	Candidate will design and manage web based infographic and liaise with field teams.
	Project Assistant Grade II	1	25000	Master's degree in Humanities/ Commerce/ with minimum of 60% aggregate marks or related subjects.	Experience in environmental policy related work, social survey and stakeholder analysis.	30	Candidate will assist in office and field activities, including liaising with field teams and social surveys.
	Project Assistant (Media & data management)	2	20000	Bachelor's degree in Management/ Social work/ Computer Sciences or related subjects with minimum of 60% aggregate.	Experience of development and web based infographic management and public liaising. Proficiency in MS Office, Internet and Tally.	30	Candidate will assist web based infographic management and liaising with field teams.
	Project Assistant (Socio-economic)	5	20000	Bachelor's degree in Humanities/ Commerce/ Science/ Mass Media/ Law/ Business Administration and related subject with minimum of 60% aggregate marks.	Experience of conducting social surveys, environmental policy related work/ stakeholder analysis, proficiency in MS office, internet and Tally.	30	Candidate will assist in office and field in social survey, literature review, report writing, data entry and analysis.
	Project Assistant Grade II (Socio-economic)	1	25000	Master's degree in Environment law/ Constitutional and administrative law or related subjects with minimum of 60% aggregate marks.	Experience of conducting social surveys, stakeholder analysis.	30	Candidate will assist in office and field in social survey, literature review, report writing, data entry and analysis.
	Project Assistant (Community mobilization)	2	20000	Bachelor's degree with Social Science/ Humanities/ Physical Sciences with minimum of 5 years of experience of working with local communities.	Experience in working with local communities, community mobilization, livelihood development, conducting social survey, stakeholder survey	50	Candidate will assist in office and field in community mobilization and livelihood development work as well as liaison with other stakeholders.
Nature interpretation and education	Project Fellow (Extension)	2	32000	Master's degree with minimum of 60% aggregate marks in Wildlife Science / Forestry /Environmental Science/ Zoology / Life Science / Biodiversity & Conservation with ≥1 years of experience after Master's in relevant field.	Experience in developing awareness material, writing articles in Hindi and English languages.	35	Candidate will facilitate and communicate with target audience ensuring appropriate information dissemination for conservation.
	Project Fellow (Fine Arts)	1	32000	Master's Degree with minimum of 60% aggregate marks in Fine Arts (Visual Arts) or related subject with ≥1 years of experience after Master's in relevant field.	Experience in sketching, digital drawing, graphic design and painting.	35	Candidate will assist in preparing relevant sketches, drawing and paintings for publications
	Project Assistant Grade II (Database Operator)	1	25000	Master's degree in any discipline with minimum of 60% aggregate marks.	Experience of development and management of database and web designing.	30	Candidate will manage the database of field records, TA/FA and purchase.
	Project Assistant Grade II (Visualizer)	1	25000	Master's degree in Visual Communication/ Graphic Design / Fine Arts with minimum of 60% aggregate marks.	Experience of working on Adobe Photoshop, Illustrator, Indesign, Corel Draw and Video Editing software. Knowledge of Hindi and English typing.	30	Candidate will assist in visualizing and designing illustrations for exhibits and education material.
	Project Assistant Grade II (3D Architecture)	1	25000	Bachelor's degree in Architecture with minimum of 60% aggregate marks.	Knowledge of 3D software for architectural designs and animation.	30	Candidate will assist in developing 3D designs for interpretive exhibits.
	Project Assistant Grade I (Biology)	2	20000	Bachelor's degree in Life Science/Biological Science with minimum of 60% aggregate marks.	Experience of field based research and collection of data.	30	Candidate will develop content for awareness material and publications.
Project Management Unit	Graphic Designer	1	30000	Bachelor's degree in any subject with ≥10 year of experience in relevant field.	Experience of graphic designing using computer software.	45	Candidate will design brochures, reports and other outreach print material.
